Product Specification Sheet

PRE-ENZYME SOLUTION

ENZYME CARPET PRE-CLEAN TREATMENT

Size: 5 Litres

An enzyme pre-spray in liquid form with a pleasant fragrance and extra cleaning power for removing blood, grease, food, egg, gravy and all protein stains and residue from all wet cleanable carpets, curtains, upholstery, fabrics and textiles.

Precautions for use

Always extract out or wash off the surface and do not allow it to dry to a powder. Test for colour fastness first. Observe the general safety regulations when handling chemicals. May cause sensitisation by inhalation. If swallowed, seek medical advice immediately and show this container or label. In case of contact with eyes or skin, rinse immediately with plenty of water. Keep out of the reach of children. Store in a cool place. Do not freeze.

Directions for use

Dilute 200ml 0042 per litre of warm water. Spray area to be cleaned or dab onto stain with a cloth. Leave for 15 minutes or more before extracting out with a machine.

Classification

Danger. Causes serious eye damage. Hazardous content alcohol ethoxylate. Regulation (EC) No 648/2004 contains non-ionic surfactants <5%, enzymes <5%, perfumes <5%.
