

Product Specification Sheet

URINE NEUTRALISER SURFACE PRE-CLEAN TREATMENT

Size: 5 Litres

A specialist product for neutralizing and deodorizing urine stains on carpets and upholstery. Can also be used on feces and vomit stains. This product actually breaks down the crystallized body fluids, leaving them in suspension to be wiped or extracted away. This can be used on all water washable surfaces.

Precautions for use

Test for colour fastness first. Observe the general safety regulations when handling chemicals. If swallowed, seek medical advice immediately and show this container or label. In case of contact with eyes or skin, rinse immediately with plenty of water. Keep out of the reach of children.

Directions for use

Dilute 1 to 1 or use neat for heavy soilage. Remove and absorb excess spillages first. Spray the stained area or pad with a white cloth. Can be followed by 'water extraction' cleaning using 2San Top Grade Powder (0006/0007).

Classification

Regulation (EC) No 648/2004 contains anionic surfactants <5%, non-ionic surfactants <5%, perfumes <5%.
