Product Specification Sheet

SHIFT

Size: 1 KG

A very effective powder for removal of coffee, tea, red wine, fruit juice, cola, cherryade and other highly coloured stains from carpets, curtains and upholstery.

Precautions for use

Test for colour fastness first. Observe the general safety regulations when handling chemicals. Read labels before use. Wear protective gloves/protective clothing/eye protection/face protection. Wash thoroughly after handling. If medical advice is needed, have a product container or label at hand. If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison centre or doctor. If swallowed, call a poison centre or doctor if you feel unwell. Keep out of the reach of children. Dispose of contents and/or container in accordance with local/national regulations.

Directions for use

Extract residue of spillage by 'water extraction' machine using a cold solution of 2San Top Grade Powder (0006). Dilute one or two 15ml scoops (enclosed) per 200ml of cold water. Spray onto stain, agitate with white terry towel. Leave for 15 - 30 minutes. Extract out with a machine with the cleaning solution, alternatively leave to dry and vacuum any powder residue. On stubborn stains repeat the process two or three times, preferably when the first treatment is dry.

Classification

Danger. Harmful if swallowed. Causes serious eye damage. Hazardous content sodium metabisulphite. Regulation (EC) No 648/2004 contains preservation agents (sodium metabisulfite) >30%.

pH 5
