PET STAIN SPOTTER

STAIN REMOVER FOR CARPET AND UPHOLSTERY

Size: 1 Litre

A specialist product for neutralizing and deodorizing pet stains on carpets and upholstery. Product actually breaks down the crystallized fluids, leaving them in suspension to be wiped or extracted away. Can be used on all water washable surfaces.

Precautions for use

Test for colour fastness first. Observe the general safety regulations when handling chemicals. If swallowed, seek medical advice immediately and show this container or label. In case of contact with eyes or skin, rinse immediately with plenty of water. Keep out of the reach of children.

Directions for use

Ready to use. Remove and absorb excess spillages first. Spray a stained area or dab solution on with a white cloth. Allow to dry. Repeat as required. Yellow colour on carpets from pet stains is not usually removable.

Classification

Contains hexyl cinnamal. May produce an allergic reaction. Regulation (EC) No 648/2004 contains anionic surfactants <5%, non-ionic surfactants <5%, perfumes (hexyl cinnamal, linalool, 2-(4-tert-Butylbenzyl) propionaldehyde, (R)-p-mentha-1,8-diene, citronellol) <5%.
