Foaming Descaler

Our Foaming Descaler is ideal for descaling taps, sinks and showers, and removing rust and stains where germs and bacteria breed.

Benefits

- ✓ **Free from:** Chlorine bleaches, Formaldehyde, Hydrochloric Acid and low VOC's
- ✓ Viscous clinging formula
- ✓ Penetrating foaming action
- ✓ Fast acting
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

Application and Directions

Spray onto the surface, leave for a few seconds, wipe with a damp cloth to remove stubborn deposits, rinse well. Polish surfaces using a dry cloth. Avoid use on acid sensitive materials, such as aluminium, gold, silver or copper. Do not use on hot or damaged surfaces, older or damaged enamel and natural stones, such as marble. Always try on an inconspicuous area first.

Proper dosage saves cost and minimises environmental impact: Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

Areas of Usage

Use on hard surfaces in washrooms:

- Bathrooms
- Toilets
- Basins
- Showers / screens
- Taps

Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.

Technical Data

Figures are typical values and should not be used as specifications
