

Craftex Product Specification Sheet

DRYFIBRE COMPOUND

Unique formulation using organic biodegradable ingredients for dry cleaning of carpets, rugs and some upholstery.

Ideal for regular maintenance or spot removal. Leaves fibres with fresh clean fragrance. No drying time required, carpets can be walked on during and immediately after cleaning. Fully compatible with other similar systems.

PRECAUTIONS FOR USE

Keep airtight after opening. Use common sense precautions when handling chemicals. Avoid contact with skin. Wash chemicals from eyes and skin immediately with plenty of water, if ingested drink plenty of milk or water, seek medical advice. Keep all products out of reach of children.

DIRECTIONS

Vacuum the carpet thoroughly. Treat all stains with suitable stain remover either 0090 or 0091. If the carpet is severely soiled, pre-spray the traffic areas with Traffic Lane Cleaner-pH7 (0022) or Degreaser (0017). Sprinkle Dryfibre Compound onto carpet. 1 Kg will clean 15 to 20 sq. metres depending on the degree of soiling. Brush the Dryfibre Compound into the carpet using a suitable machine. Work compound into the carpet in both directions. For spot removal, massage compound into stain with soft bristle brush. Vacuum the carpet thoroughly after 30 minutes using a vacuum cleaner with brush action. Repeat if necessary. Carpets are ready to use straight away.

CLASSIFICATION

Biodegradable. pH 6.

Size: 12KG
Product Code: 0062
