FILTER-OUT

LABEL INSTRUCTIONS

Product Description & Directions For Use:

Prochem Filter-Out is an advanced formula carpet stain remover for charged particle soils such as air filtration soils (draught marks) along skirting boards, under doors and around heating and ventilation areas. Filter-Out will also help remove carbon, soot, smoke residue, photocopier and fax toner spills. Carefully vacuum any loose soil with vacuum nozzle (Do not use brush or brush type vacuum cleaner).

Filter-Out is ready-to-use.

Always pretest carpet for colour fastness before proceeding.

Apply Filter-Out directly to soiled areas with trigger sprayer supplied.

For heavy soil deposits, agitate with soft spotting brush.

Allow 3 to 5 minutes dwell time for product to react with soil and release particle charge.

FILTER-OUT removes air filtration soil lines along walls and doorways, near heating and air conditioning vents.

- Exclusive Prochem technology defeats the particle charge attraction, allowing soils to be extracted away.
- Also removes toner spills, carbon, soot and other charged particle soils.
- Comes ready-to-use in a 1 litre spray bottle.
- Green liquid with floral fragrance.

pH: 10.0

HANDLING AND SAFETY

Keep out of the reach of children.

Avoid contact with skin and eyes.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Wear suitable gloves.

Please consult the Safety Data Sheet before using this product.
