## Washing-Up Liquid

**Our Washing-Up Liquid is specially formulated with natural grease-busting action to suspend dirt to leave your cutlery, crockery, glassware, utensils and kitchen work surfaces sparkling clean. Safe on paintwork, rubber and metal surfaces.**

### Benefits

- ✓ **Free from:** VOCs, Chlorine Bleaches, Solvents, Lanoline
- ✓ Citrus fresh
- ✓ Ideal in all kitchens
- ✓ Non-caustic
- ✓ Kind to hands
- ✓ Effective in hard and soft water
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

### Application and Directions

Add detergent to a bowl or sink of warm water. For heavily soiled dishes leave to soak. Clean with a cloth or sponge. Rinse with clean water and allow to dry.

For work surfaces, food prep areas and heavy cleaning apply a small amount to a damp cloth or sponge and clean surface. For larger surface areas such as floors, use a mop and bucket.

**Proper dosage saves cost and minimises environmental impact:** Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

### Areas of Usage

- Cutlery, crockery and utensils
- Glassware
- Food prep / food storage areas
- Kitchen work surfaces

### Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
